Commissioner for Patents  
PO Box 1450  
Alexandria, VA 22313-1450

Sir:

The above-identified application became abandoned for failure to file a timely and proper response to the Office Action mailed on October 16, 2006, which set a three month period for response. However, review of the file and docketing reports indicates that this Office Action was never received in our office.

For the convenience of the Patent and Trademark Office, attached is a copy of the docket record for the application, indicating where in the docket report the non-received Office Action would have been entered had it been received and docketed.

Applicants hereby petition for revival of this application and re-issuance of the Office Action dated.

Respectfully submitted,

STAAS & HALSEY LLP
